

# The Philippine Journal of Veterinary Medicine

Volume 59

No. 1

January – June 2022

## CONTENTS

### Original Articles

#### Microbiology

- Molecular characterization of vaginal microbiome of lactating dairy water buffaloes (*Bubalus bubalis*, *Lin.*) using polymerase chain reaction-denaturing gradient gel electrophoresis..... 1**  
*JMC Carpio, JF Nayga, GASP Tubalinal and CN Mingala*
- Development of reverse-transcription loop-mediated isothermal amplification using a dual indicator for the visual detection of duck tembusu virus.....15**  
*NH Huan, DH Anh, HTM Le, NV Giap, TTH Giang, LV Phan, MT Ngan, S Sekiguchi and W Yamazaki*
- Comparison of phenotypic and genotypic methods of detection of two beta-lactam resistance genes in *Staphylococcus aureus* isolates of mastitic milk from Batangas, Philippines..... 24**  
*GL Tumamac, AJB Aquino and HG Rovira*

#### Physiology

- Analysis of Superoxide Dismutase (SOD) activity in Itik Pinas-Itim (*Anas platyrhynchos L.*) semen cryopreserved using either glycerol of Dimethyl Sulfoxide (DMSO) as cryoprotectant.....35**  
*JLM Sigua, MM Landicho, GA Dichoso and PP Sangel*

#### Public Health

- Seroprevalence of Japanese encephalitis virus among domestic animals and rats in Mindanao, Philippines..... 46**  
*ET Baltazar, JAC Abella, AP Dargantes, LT Simborio, RCJT Bautista, NMA Dinopol, VDBM Eborra, H Shimoda, R Kuwata, E Hondo and K Maeda*

### Research Notes

#### Public Health

- Detection of residues in milk from antibiotics commonly used for treatment of mastitis in selected dairy cattle farms in CALABARZON, Philippines using an optical biosensor.....53**  
*JAL Cerrero, AJB Aquino and SEA Salamat*
- Current status of anti-rabies act of 2007 through the lens of key local government officials in the province of Pampanga, Philippines: a qualitative study..... 60**  
*MLB Lacson, REG Tiongco, CS Bacani, MG Catacata, RD San Jose, DRO Soriano, AP Garing, AB Aquino Jr. and RD Bundalian Jr.*

**Mapping canine rabies occurrence in Pampanga, Philippines, and determining its association with temperature, rainfall, and humidity..... 67**  
*REG Tiongco, NC Tanquilut, RS Macmac, RA Rivera, MR Manlangit, MLB Lacson, PJP Magsino and RD Bundalian Jr.*

### **Case Reports**

**A case of fowl adenovirus-8B infection in a tunnel ventilated broiler farm in Central Luzon, Philippines.....74**  
*JVM Mapa and PLD delos Reyes*

**Feline chronic gingivostomatitis in a nine-year-old neutered male persian cat mix: a case report..... 80**  
*AM Mariño and JMG Anthony*
